Internship

Summer Internship

June 2024 - July 2024

Gokboru Tech Pvt. Ltd.

- Gained hands-on experience in AWS cloud computing, working with services like EC2, S3, Route 53, and IAM.
- Developed and deployed a personal static website, enhancing skills in cloud security, networking, and deployment.
- Strengthened problem-solving skills by resolving cloud infrastructure issues, optimizing deployment strategies, and improving security configurations.
- Collaborated on real-world cloud projects, enhancing hands-on knowledge of server management, automation, and scalable deployment techniques.

Projects

Static Personal Website / AWS EC2, IAM, WordPress

July 2024

- Developed and deployed a personal static website using Amazon EC2 for hosting and WordPress for content management.
- Implemented **AWS IAM** to enforce security measures, restricting unauthorized access and ensuring controlled user permissions.
- Assigned an **Elastic IP** to maintain a consistent public IP address, ensuring uninterrupted website availability despite instance restarts.
- Gained hands-on experience in **cloud-based hosting, networking, and security configurations** to create a robust and scalable web presence.

Replica of Income Tax Department / HTML, CSS, Javascript

October 2022

- Designed and developed a fully responsive and visually accurate replica of the Income Tax Department website, closely following the original structure and design language.
- Applied CSS styling to enhance visual appeal, incorporating proper spacing, typography, and color schemes.
- Integrated JavaScript for enhanced interactivity, including hover effects, and dynamic content updates.
- Demonstrated front-end development skills by replicating real-world websites with precision while implementing modern UI principles

Certificates

Ethical Hacking Essentials

December 2024

Coursera

Digital Forensics Essentials

December 2024

Coursera

Cloud Computing

October 2024

NPTEL

GenAI For Everyone

January 2024

Coursera

Technical Skills

Languages C, C++, Python

Technologies/Frameworks: WireShark, Kali Linux, Nmap

Soft Skills: Team Player, Adaptability

Education

Lovely Professional University Punjab

August 2022 – Present

Computer Science and Engineering — CGPA: 5.77

Jalandhar, Punjab

Sri Gayathri Junior College

April 2020 – March 2022

12th with Science — Percentage: 81.00%

Hyderabad, Telangana

D.A.V Public School

April 2019 – March 2020

10th with Science — Percentage: 74.00%

Mothugudem, Andhra Pradesh
